## Thyroid Antibodies: Thyroid Peroxidase (TPO) and Thyroglobulin (TGAb)

Collected on March 30, 2023 3:06 PM

Timothy Kennard, MD 04/2/2023, 8:14 AM

The results of your recent blood work are included below. Most of your lab results look excellent and are normal at this time.

1. Your thyroid antibodies overall look okay. Thyroid peroxidase antibody just barely above the upper limit of normal.

Thyroglobulin antibody was normal. Overall this did trend down significantly from your last check

Please follow-up in clinic as we discussed at the time of your appointment.

Thank you for allowing me to participate in the care of your health. If you have any questions or concerns, please give us a call at the clinic so we can ensure that we are meeting all of your health care needs.

Warmest Regards,

Tim Kennard, MD

## Results
