I have reviewed your recent blood test results.

Your blood counts, kidney function and liver function are all within acceptable ranges. There is no evidence to suggest that your methotrexate is leading to harm.

Please continue your medications at this time.

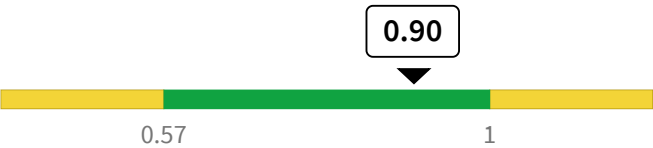

Amit Patel MD

Results

Performed at: 01 - Labcorp Burlington
1447 York Court, Burlington, NC 272153361
Lab Director: Sanjai Nagendra MD, Phone: 8007624344

Creatinine
